When entering the hospital, please tell the admitting personnel that you are a member of our church. Have a family member contact the church office or pastor's office so you can receive pastoral care during your hospital stay.

Like a visit from pastor? Call the church or pastor's office and request a visit or let her know on a Sunday morning.

Remember to update the church office with changes of address, phone numbers, or e-mail.

Both churches are on Facebook. Friend us on Facebook! Contact Kathy Greener at Trinity and Jody Binfet at Georgetown to have us post an event, announce in church or share a picture.

## Pastor's Ponderings

I love musical theatre and I love to sing! So, it probably not surprising that I try to find a song to celebrate the coming of a new month. It helps to start a new month "on the right foot," so to speak! So as I think about the coming of June, I have a song from "Oklahoma" that runs through my head called "June is Busting Out All Over." These are the beginning lyrics of the song:

March went out like a lion  
Awakin' up the water in the bay;  
Then April cried and stepped aside,  
And along came pretty little May!  
May was full of promises  
But she didn't keep 'em quickly enough for some  
And the crowd of doubtin' Thomases  
Was predictin' that the summer'd never come  
But it's comin' by dawn,  
We can feel it come,  
You can feel it in your heart  
You can see it in the ground  
You can see it in the trees  
You can smell it in the breeze  
Look around! Look around! Look around!  
June is bustin' out all over  
All over the meadow and the hill!  
Buds're bustin' outa bushes  
And the rompin' river pushes  
Ev'ry little wheel that wheels beside the mill!  
June is bustin' out all over  
The feelin' is gettin' so intense,  
That the young Virginia creepers  
Hev been huggin' the bejeepers  
Outa all the mornin' glories on the fence!  
Just because it's June, June, June!

Did you notice the biblical reference to Thomas in those Lyrics? I love that and I love that the lyrics are so descriptive of what we see, hear, and feel at the beginning of Spring and Summer. And now I get to pondering....wouldn't it be something spectacular if our witness to the love we have from God through Jesus Christ was "bustin' out all over?"

What would the world be like if the love of God busted out of the doors of our churches and homes and spread all over through us? The Holy Spirit is described as the rushing wind that blows where it will unconfined. It "busts out all over" determined to push us past our comfortable way of living and serving and insisting we see and attend to those who do not yet know God's love or may have given up on feeling the love of God in church.

When these folks look to the church what do they see? When these folks encounter us what do they experience? In the dark of the end of winter we may doubt the coming of Spring, but we know in our heart that it is only a matter of time before it does come. Can it be the same way with our witness to the love of God? Do you feel it in your heart? Does the love of God and the desire to share that love bust out of you to be shared with those who are looking for it? This is my prayer for June that the love of God blossom in each and every heart bearing witness to Christ and glorifying God!

Pastor Diane
